PROFESSIONAL PROFILE

Creative Video Editor and Graphic Designer with experience in media production and post-production. Experienced in producing cinematic videos, commercial reels, and digital designs. Capable of handling full production cycles from shooting to final editing, both remotely and on-site. Proficient in Adobe Creative Suite and modern editing tools.

WORK EXPERIENCE

Freelance Video Editor & Designer 2022 - Present

Self-Employed | Remote & On-site

- Edited and produced over 20+ video projects including cinematic intros, social media reels, and advertisements.
- Designed marketing materials and social media posts for various clients (Travel Agencies, Commercial Brands).
- Managed video production workflow: cutting, color correction, sound design, and final rendering.

Video Production Project 2020

Independent Production

- Handled full production process: directed scenes, captured footage, and performed post-production editing.
- Worked on video content delivery for specific events, ensuring high-quality output under deadlines.
- Gained practical experience in shooting techniques and remote collaboration.

SELECTED PROJECTS

Cinematic Family & Event Videos Video

Produced cinematic intro videos for family events using advanced transitions and sound design.

Travel Agency Campaigns Design

Designed promotional posters and social media graphics for major tourist destinations (Sharm, Gouna).
